Banquet To End Religious Week

Final activities of the college's Religious Emphasis Week program will conclude tonight with the annual banquet at 6 o'clock in the Social hall of the First Methodist church, Fifth and Santa Clara streets.

Gerry Sartain, publicity representative for R.E. Week, said that tickets for the banquet may be purchased for 75 cents at the Library Arch.

Dr. Vere Loper, pastor of the First Congregational church, Berkeley,

DR. VERE LOPER

... R.E. speaker

keley, will speak on the subject, "My Faith and the Way I Live." A graduate of Grinnell college and of Yale Divinity school, Dr. Loper has lectured at the University of California for 10 years.

Today at 11:30 a.m., the Rev. G. Arthur Casaday, pastor of the First Congregational church, Palo Alto, will speak in the Morris Dailey auditorium on the subject of the Protestant religion.

This morning at 7:45 o'clock, the last of the Religious Emphasis Week morning services was held in Newman hall.

Gripes To Be Aired In TandP Column

Griped, elated or inspired?

Air those slams, commendations and suggestions through the Spartan Daily's "Thrust and Parry" column.

All letters submitted will be considered and, if within the limitations of space and good taste, published.

The writer's name and ASB card number must be written on the letter, although the name may be withheld from publication at the student's request and the co-editors' discretion.

Letters may be deposited in the "Thrust and Parry" box in the Spartan Daily office, B93.

Technical Students Check on Diplomas

Technical students in junior college who plan to receive their Associate in Arts diplomas in either June or August are requested to check with Dr. Harrison Heath in Room 120 not later than Apr. 15. Dr. Heath stated that this will be necessary if the diplomas are to be ordered in time.

SJS Receives \$66,338 for Spring Clean

An estimated \$66,338 has been appropriated for the annual spring cleaning of campus by the State Division of Architecture, according to Byron Bollinger, superintendent of building and grounds.

Liberal applications of paint will be given to the outsides of several campus buildings, while other workmen begin the job of pruning the college's trees.

Other campus structures which will receive maintenance are the Women's gym, the Men's gym, the Science building and the Morris Dailey auditorium. Painting and installation of new gutters will be made on the Science building, the Library and the Administration building.

All the exterior work will begin soon, probably within a week, Mr. Bollinger said, but the interior work will be delayed until the summer months.

Guard Offers Pilot Training

The California Air National Guard now offers flying training to physically-qualified men between the ages of 20 and 26½ who have at least 90 units of college work, announced Dr. Stanley C. Benz, dean of men.

Upon graduation from aviation training, a student may become a federally-recognized pilot, with the grade of second lieutenant in the Air National Guard.

Three years' service in a guard unit is required, subject to call to active duty only if the entire organization is mobilized.

Membership in the Air Guard requires 16 hours duty each month, plus two weeks' summer encampment with pay and allowances.

Students interested in this training may get further information by contacting Miss Bernice Van Gundy, secretary to the dean of men.

IBM Representatives To Give Interviews for Jobs Monday

International Business Machine corporation will have representatives in the Placement office Monday from 9 a.m. to 5 p.m. to interview June graduates who are interested in working in IBM's sales or engineering division, according to Dr. Vernon A. Ouellette, director of business placement.

Electrical engineers and industrial technologists are needed in the engineering division and will be interviewed by K. H. Becker. Business and social science majors interested in joining the sales division will talk to W. D. Jones.

According to information received by Dr. Ouellette, those graduates who are hired will spend the first part of their employment in the local office.

The civil service needs college graduates as investigators. The

Seniors Make Plans for Ball, Class Week

Senior week will start Saturday, June 7, with the Senior Ball to be held in the Terrace room of the Fairmont hotel, according to a tentative schedule laid out by the senior orientation class this week.

Baccalaureate services are set for Sunday, June 8, and June 9, 10, and 11 have been set aside for Senior Day, Beach Day and the Senior council party, respectively. Definite dates for the latter three events will not be arranged until reservations have been completed, said Donald F. Sevrens, class co-adviser.

June 12, the Senior Banquet is scheduled to be held at the Scottish Rite temple, and graduation services will be held June 13.

Committee chairmen are: Alice Brown, baccalaureate; Maggie Murphy and Nancy Lee, Senior Banquet; Jacqueline Larson, Senior Day; Bob DeSalles, orchestra for the Senior Ball; and temporary chairman for the Senior Ball, Mrs. Pauline Hammock.

Class officers are: Betty Hoenshell, president; Betty Ralph, vice president; Marilyn Ahlenius, treasurer, and Jacqueline Larson, secretary.

State To Give Salary Raise

Nearly all state employees will receive a five per cent salary increase effective July 1 if the Governor does the expected and signs the budget bill, the California State Employees association in Sacramento revealed yesterday.

The bill also would provide for a salary reserve fund of approximately \$2,134,000 from the General Fund for further adjustments should they be warranted after July 1. An amount almost as large as that which is in the General Fund will be available from the Special Funds for adjustments for employees whose salaries are paid from special funds.

Ted Balgooyen, president of the local chapter of CSEA and instructor in speech, said that to the best of his knowledge all the college employees will receive the increase.

The salary item was augmented following a discrepancy between the Senate and Assembly versions of the bill, the Sacramento bulletin said.

A Phi O Clears Parking Area

—photo by Parker

DON BINDER, president of Alpha Phi Omega, watches from his seat on the tractor as Ed Ord (left), publicity chairman, and Jack Lund attempt to move an uncooperative tree. A Phi O members began work on the parking lot yesterday and hope to complete it today.

Ground Clearing Starts On College Parking Lot

Ground clearing and leveling work began yesterday on a new parking lot which will eventually be able to handle approximately 200 Spartan cars.

The parking lot, which is the spring quarter project of Alpha Phi Omega, national service fraternity, will be available for limited use beginning today.

Word of progress on the clearing work came from Ed Ord, parking lot chairman for A Phi O. Ord said that the portion of the lot fronting on S. Eighth street between San Antonio and San Carlos streets could be used temporarily starting today.

The portion of the lot fronting on S. Ninth street between San Antonio and San Carlos will not be available for use until Monday.

Use of the lot will be interrupted sometime late next week while surfacing of the area with crushed rock takes place, Ord said.

Completion of the project is slated for Wednesday, Apr. 16.

The new lot was made possible by profits from the Student Book Exchange, one of A Phi O's service projects. About \$600 is being spent by the fraternity to get the lot ready for use.

Conference Slated In Home Economics

The 30th annual meeting of the executive council of the California Home Economics association will be held in San Jose tomorrow and Sunday, Mrs. Wendell Huxtable, instructor in home economics and committee chairman in charge of arrangements, said yesterday.

The conference will be held in the Hotel Sainte Claire tomorrow and Sunday. From 75 to 100 members from all parts of the state are expected to attend.

"Delegates will be home economists in business who represent large corporations in particular areas and home economists in teacher training," Mrs. Huxtable explained.

Also attending the two-day session will be state officers, state leaders of Homemakers clubs, chief of the Bureau of Homemaking Education, state regional councilors and college students.

All members are invited to a luncheon on Sunday at 1 p.m. in the Spartan room of the hotel. Reservations may be made tomorrow afternoon and Sunday morning.

AMS Discusses Vet Program

Due to a lack of a quorum, voting for the athlete of the month was postponed until next week by the AMS council at its meeting yesterday.

The council discussed the matter of a suitable place for keeping the permanent trophy.

President Mary Scarper told the council of progress of the plans for the AMS to put on a program for the Veterans' hospital in Palo Alto. He said the program will be in the latter part of April or the first of May. The program will probably consist of boxing and gymnastics exhibitions as well as some musical talent from the college.

Shaw Speaks At Conference

Dr. Edward P. Shaw, director of the college's Institute of Industrial Relations, was one of the main speakers at yesterday's session of the 21st annual Western Regional conference of the Civil Service assembly held at the Hotel Sainte Claire.

Dr. Shaw told the group that a better means of communication between departments needs to be developed in administration. He said that the lack of a series of clear definitions is one of the difficulties of keeping various department heads in touch with policy and orders.

The Weather

Gloomy gloom hung low over the castle at Epping-opping this morning. Zwieback Van Von's face was drawn and haggard when he pulled Cuthbert out of the moat. "I'm worriedly worried and decidedly undecided about his majesty," he said. "We've called in the eminent specialist Dr. Ajax Foaming to look at him."

"Do you think it's possible that he might..." Cuthbert shuddered and couldn't go on.

"Very possibly possible," Van Von said. "Wouldn't that be horrible?"

"Horribly horrible, awfully awful! Windily windy and warmerly warm with possibly, today, tonight and tomorrow."

A Look Ahead

This week some SJS faculty members took a forward step.

Wednesday the Association of California State College Instructors approved a plan to form an SJS faculty council.

Compiled by an inter-organization committee composed of members of the ACSCI, American Association of University Professors, and California State Education association, the plan, as we understand it, is directed toward promoting mutual understanding between faculty and administration.

Yesterday we declaimed the necessity for understanding between faculty and their students. Today we want to go on record declaiming the equal necessity for understanding between administrators and their faculty.

Cooperation between allied forces is the keynote to success in any undertaking. The council formation plan would, we believe, facilitate cooperation in this institution.

Monday the CSEA will vote on the plan. It then remains for approval by the AAUP and the entire faculty.

We sincerely hope they go the way of the California State College Instructors.

Picture Technique Stressed in Series

"Purpose of the motion picture series offered by the college is purely educational," Dr. Hugh W. Gillis, head of the Speech and Drama department, explained yesterday.

"Basically, the department tries to get pictures that will add to the knowledge of motion picture technique," he said.

An outgrowth of the spring quarter class, motion picture appreciation, the motion picture series originated about five years ago, Dr. Gillis continued.

Before 1947, students were required to see commercial films. This soon proved to be too expensive, due to the fact that not enough "good" pictures were shown during the quarter.

Therefore, Dr. Gillis obtained permission from the motion picture industry for the college to present six or seven movies for educational purposes, at a student rate.

The project was immediately successful, Dr. Gillis added. "Due to increased attendance, we had to double up on the showings," he said, explaining that the contract allows the college to hold the films only one day.

Dr. Gillis pointed out that there are about 60 pictures to choose from. Each one is categorized according to its value, as to photography, direction, acting, historical interest or motion picture trend, he said.

This quarter the pictures chosen were a Charlie Chaplin series, shown on Mar. 27; "It Happened One Night," offered last night; "Open City," Apr. 10; "Shadow of a Doubt," Apr. 17; "Private Life of Henry VIII," May 6; "Carnival in Flanders," May 13; and "Time in the Sun," May 22.

Signs Indicate Dread Disease Hits Students

Do you sound like an inmate of a remedial speech clinic when you are called upon to speak? If so, you probably have the other symptoms of the dread disease that strikes most of us—"leadership fright."

You probably blink out the door when they call for someone with ambition and initiative, or pretend fanatic interest in a microscopic object on your finger nail when they ask for committee volunteers.

Well, you needn't be a social coward any longer! You too can be a leader among men, if you attend a series of four leadership training seminars that begin Apr. 8.

The first meeting, according to Ed Wright, publicity chairman, will deal with the organization of a function and the responsibilities of committee chairmen and committee members.

All seminars are scheduled for 3:30 p.m. in Room 8 of the Women's gym.

Co-sponsors of the series are Student Council, AWS, Alpha Phi Omega, Student Court, junior class, Pan Hellenic and Student Y. General chairman is Don Korte.

Song Lyrics Depict Gay Field Trips

By BARBARA RILEY

(Editor's note: Dr. Carl D. Duncan of the Natural Science department has written over 200 songs and poems. We follow yesterday's contribution with more excerpts from Dr. Duncan's happy composition of song lyrics about field trips, Natural Science teachers, barbecues, folk-dancing, and anything else which has occurred to him.)

After a field trip to Angorah Lakes, Dr. Duncan wrote the following: (The full effect can be obtained by muttering it to yourself to the tune of "The Three Little Fishies" which was popular about 1942.)

He says about the group:
"Dey've wuhned pondawosa, wibaccedwus, tweduwoides too,
An porphywy and andesite—dey 'ah awe igneous to you.
Dey've seen doodow bugs and beetoow gwubs and wums beneaf de bank,
And dey've seen and huhd de frowwahs and buhds frow way mawn till dahk.

"So in de days to come when when dey ah scattahed o'er de wand,
Dey'll be talkin' 'bout de twees and bugs and wocks to beat de band.
But no mattah wheah you find em you wiah find em was a woo;
Showin off delah ewudition dat dey wuhned at nachah schoo."

Dr. Duncan's latest epic was written this quarter during the West Coast Nature school trip to Death Valley between winter and spring quarter.
(Excerpts are as follows:
(Sing to "Oh, by Jingo" melody.)
From the land of liquid sunshine,
I didn't say moonshine, I said sunshine.
Ta da, ta da da da da
Oompah-Oompah-Oompah-Oompah.

Came two hundred nature students,
Armed with far more brains than practice.
Ta da, ta da da da da
Oompah-Oompah-Oompah-Oompah
Forth from Sparta's halls they sally,
All the way to old Death Valley,
Where over night—
They sing by the Coleman light.

The CC barracks has become our home,
Across Death Valley's wastes we're bound to roam.
With Kartchner we will pound the rock—
The earth's deep secrets to unlock.
'n while Doc Gertie from the sidelines orates,
We'll bend down and study borates!

McCallum's puzzles o'er the shrub-berce,
We'll investigate will all propriete,
And come scorchin sun or flood,
We will hit the trail with Bud,
And we'll turn from fish to toads,
As we job along the roads,
Death Valley's sure the place for me!

Dr. Duncan doesn't play any instrument or compose music. "That's why I use familiar tunes to lit the lyrics to," he explained Tuesday.

In 1942, Dr. Duncan mentioned, the Nature school took the college's old bus to Death Valley.

It was nicknamed "The Yellow Peril" and "Cecil's Dreamboat" (Cecil was the driver) by trip participants. Dr. Duncan commemorated the harrowing experience in song as follows: (The tune is

Lost Items Await Missing Owners

By JOYCE PASSETTI

Lost in vicinity of Washington Square: group of absent-minded college students.

If found, please direct to Information office immediately. Great sentimental value. Owners are frantic for news, as they are in danger of being sold by Spartan Spears next week if students don't turn up.

Two persons have been identified but are still missing:

Gerald E. Simpson, there is a checkbook waiting for you.

Lawrence Heffner, your driver's license, social security and draft cards and pictures are lonely for their place in your wallet.

The Information office is filled with sundry items which will be sold by the Spartan Spears at their quarterly lost and found sale sometime next week, re-

"She'll be Comin' Round the Mountain."

Oh, it runs well on the level if it runs. (Repeat.)

Oh, it runs well on the level, but it feels just like the devil.

Oh, it runs well on the level if it runs.

Oh, she steams and snorts and wheezes when she runs. (Repeat.)

At each snort you think she'll perish; 'tis a thought you fondly cherish,

As she steams and snorts and wheezes when she runs.

There's more, but we are limited by time and space and the feature editor who's beginning to think we're being subsidized by a guest writer, named Duncan.

ports Mrs. Betty Street of the Information office.

This is running short for a T-square, three odd buttons, a zipper pencil purse, jewelry, including single earrings; a pair of tennis shoes, keys and key cases, check books and glasses. Winter quarter's stormy weather provided a supply of umbrellas, scarves, mittens, gloves, coats and jackets.

Could be the Information office should join forces with "Mr. Keen, tracer of lost persons."

Purse Comes Home

Carol Anderson has her purse again after losing it on the campus five years ago.

The former college co-ed was notified Wednesday by a friend who saw the Spartan Daily article about the long lost item.

Miss Anderson, now Mrs. Tally, couldn't believe her eyes when she saw the black patent leather purse at the Information office a few hours later. She was completely surprised and very grateful. She was especially pleased to find her glasses unbroken.

Department Lists Piano Test Dates

Kindergarten - primary piano examinations will be given on April 7, 14, 21 and 28 from 4 to 5:15 p.m., according to Mrs. Anne Fabrizio, secretary in the Education office.

SPARTAN DAILY 3

College To Sponsor 22 Classes at Hartnell J.C.

The college will offer 22 courses at Hartnell junior college this summer, announced Hartnell President John B. Lemos recently.

Spartan Kids Hear Fables

"Rumpelstiltskin," "The Little Boat That Tried" and other new and story book favorites are coming alive for Spartan city children this quarter through the storytelling techniques of five members of the winter quarter storytelling class, according to Dr. Dorothy Kaucher, speech instructor.

The vocal baby sitters are Dorothy Edinger, Barbara Jackson, Carol Larson, Barbara Leach and Beth Lou Lundy.

During April and May the Spartan children will be entertained two afternoons a month under the supervision of Mrs. Charles Wills, Spartan city resident.

The summer session will be held from June 23 to Aug. 1. Classes will be open to teachers, regular students and interested adults. Tuition is \$16 for each course and is payable June 23.

A maximum of nine quarter units of college credit will be given. Students may enroll for one, two or three courses.

Courses offered include art, education, geology, natural science, science education, psychology, economics, geography, history and political science.

Advance registration is requested, Mr. Lemos said, to permit ordering of necessary supplies for the classes.

Local instructors for the summer session include Dr. George G. Bruntz, associate professor of history and political science; Mrs. Alice Castro, assistant professor of psychology; John V. DeVincenzi, instructor in art; Rocci G. Pisano, instructor in biology; and Wilbert M. Klam, principal of the Linda Vista school in San Jose.

Teachers serving on special, emergency or regular credentials will find the courses of value, said President Lemos.

Russian Geography

Dr. Richard C. Steele, assistant professor of geography, will speak on the "Geography of Russia" Monday at 9:30 a.m., and 12:30 p.m., in Room 1 of the Bible school before the freshman class of the AFROTC, announces Lt. Col. Joseph E. Terry, operations and training officer of the AFROTC units.

SF State Men Describe Ideal Feminine Friend

During the month of February samples of the views of the male population of S. F. State on the subject of the ideal feminine companion were obtained in an exhaustive survey. The questions asked covered all the essential qualifications from physical sizes to whether or not she should imbibe alcoholic beverages. The aim was to fabricate the ideal wife as far as S. F. State men are concerned. Whereas only about 15 per cent of the male students were queried, we feel that a truly representative picture was obtained, as equal opinion samples were taken from all four classes.

Girls, this is what we men are looking for, so read and draw your own conclusions.

Vital Statistics

Age—At marriage, 21 years 2 months. There was considerable spread with over 70 per cent of the answers designating between 20 and 22 years old. The youngest suggestion was 17 and the oldest 28.

Height—The young lady would have a better chance being 5 feet 4 inches. The shortest report was for 5 feet and the tallest was 6 feet 1 inch.

Weight—Miss Question Mark tipped the scales at 118 lbs. (before lunch). Twenty men wanted a girl 100 lbs. light and one tall junior was after a gal who weighed 150 lbs. The average for the seniors was 111 lbs. (potential June graduates appear to want their wives to eat lightly, surprising?).

Color Hair—The light brown hair had it with 90 per cent requesting either brown or blond hair. Eight per cent favored brunettes, and 2 per cent liked the redhead variety.

Eyes—Assuming two, the blue eyes had it over all others by garnering 55 per cent, while 35 per

cent voted for brown eyes, 6 per cent wanted black eyes, 3 per cent gray and 1 per cent (the adventurous souls) asked for a green eyed lady.

Children—Over a third of the votes were for three children, but the average swung to a larger family as 71 per cent asked for three or more. Only five out of all polled said "None!" I suspect that there is not a high degree of impotency among the Gator males.

Measurements—The overall average was bust, 35, waist, 24.2, hips 34.8. The Frosh were vicious with averages of 35.8, 24.1, and 34.1, respectively.

Personality—Characteristics most voted for were frankness, home type, good party hostess, affectionate, and athletically inclined.

Drink and Smoke—On the question of alcoholic beverages, 35 per cent of our men would object to Miss Statistics drinking while 56 per cent would condone it, and 9 per cent answering "makes no difference." As pertains to smoking, the story was a little different with 70 per cent approving, 24 per cent objecting, and 6 percent indicating no preference.

Education—Her education should have been at a public school with 80 per cent requiring her to go to college. But hold on to your hats, 75 per cent of those stipulated four years of college.

The freshmen, for some inexplicable reason tended to ask for bigger women with a glittering array of talents. They were less concerned with her intelligence and homemaking abilities than any other class, and they were more concerned with her physical beauty.

Most sophomores wanted a beautiful woman who was athletically inclined and could throw a real party.

Juniors came up with the unreal type of girl. All the odd qualifications seemed to come from this class.

The seniors were the realists though, and they were more definite in their demands. The little woman's practicability was paramount in the graduating eyes, with her looks rated less important.

But girls, let me give you this final bit of advice. The ideal mate may have been set down in these few words, and "Stateside" men may even proclaim the dimensions of the girl they are going to marry, but when time comes to go to the altar, the determined girl with the ways and wiles, will still be the bride and not the bridesmaid.—By Hal Grant.

Wire Roundup

Edited by JACK LYTGOE

President Truman Removes McGrath

WASHINGTON, Apr. 3—(UP)—President Truman today fired Attorney General J. Howard McGrath a few hours after McGrath had abruptly discharged Newbold Morris as the Administration's corruption hunter.

The President announced to a jam-packed 4 p.m. news conference that McGrath had resigned—adding with a smile that all resignations are voluntary.

McGrath immediately followed with a statement which made it clear that he had been fired. He said "I gladly accept the penalty which attaches to the performance of duty."

Mr. Truman named Federal Judge J. P. McGranery of Pennsylvania to succeed McGrath. McGranery was assistant attorney general from 1943 to 1946.

Mr. Truman told reporters that the drive to rid the government of corruption will be carried on under the new attorney general.

The double dismissals climaxed days of feuding between McGrath and Morris.

McGrath fired Morris at 9:45 a.m. without explanation; told him in a coldly-worded letter that he was through at the end of the business day.

Mr. Truman told newsmen he

first learned of McGrath's action against Morris when he read it on the news ticker.

The President said he had known the dismissal of Morris was under consideration, but did not know it had been done until he read about it.

The McGrath announcement overshadowed two other major news developments at the President's news conference:

1. He said flatly that he has no intention of running for the Senate in Missouri, but will devote himself after leaving the White House to the cause of world peace and the welfare of the people in the United States.

2. He went to unusual lengths to contradict a published statement that certain officials of the American government are critical of the United Nations truce team in Korea.

The President opened his conference—attended by over 260 reporters, nearly an all time record—with his brief statement on the truce teams.

Then quietly he looked at the packed conference room and said softly that the attorney general has resigned. There was a chorus of exclamations. The President continued that he had selected McGranery.

Lodge and Ike Discuss Party Policy in Talk

PARIS, Apr. 3—(UP)—Senator Henry Cabot Lodge, Jr., "I Like Ike" campaign manager, arrived today for conferences with Gen. Dwight D. Eisenhower and said the general could win the Republican presidential nomination even if he did not go home to campaign.

Discounting Senator Robert A. Taft's successes in Nebraska and Wisconsin, Lodge expressed complete confidence in an Eisenhower victory.

"He is the man the American people want," Lodge said. "He is the man the Republicans want, the Democrats want and the independents want. I said so on Nov. 16 when I took over the management of the Eisenhower campaign, and nothing has changed since."

"The general can win without going back to campaign," Lodge said when he arrived at Orly airport.

He said he was more confident than ever that Eisenhower will be the Republican candidate.

"I have always said that he quite conceivably could win on the first ballot of the convention," Lodge said. "Now I say it is quite possible."

Warren Asks Help In Cancer Control

SACRAMENTO, Apr. 3—(UP)—Gov. Earl Warren issued a proclamation today naming April as "Cancer Control Month" in California and asked residents to lend their fullest possible support to efforts of the American Cancer Society.

"The society supports the work of many brilliant scientists in an intensive cancer research program—a program which may be the means of unlocking the secret of cancer's cause and of finding a preventive or cure," Warren said.

Warren noted that cancer took the lives of nearly 15,000 Californians last year.

Yank Pilots Down Two Red Jet Planes

SEOUL, KOREA, Apr. 3—(UP)—American sabre jet pilots destroyed two Communist jet fighters today, probably destroyed another and damaged five in four air battles over North Korea to run their three-day toll to 39.

Most of the Communist losses were Mig-15s, but one larger and higher-winged "type-15" jet was probably destroyed and another damaged.

Senator Urges Federal Aid To States To Boost Number of Election Primaries

WASHINGTON, Apr. 3—(UP)—Senator Paul Douglas (D-Ill.) urged congress today to help more states hold presidential primaries. As things stand, Douglas said, only one-fourth of the states give their people a chance to express themselves on presidential candidates.

As a result, he said, the two national political conventions, controlled "by a small group of professional politicians," may pick candidates next July "who do not really represent the real desires of the rank and file of each party."

Douglas asked a House Elections subcommittee to approve a bill to provide federal funds to induce additional states to hold presidential preference primaries.

The bill would authorize the attorney general to contribute as much as 20 cents a voter to help states finance a primary.

Other congressional news:

Tidelands—The house acted to

East Germans Hit U.S. War Seekers

BERLIN, Apr. 3—(UP)—East German Communists promised "Dear comrade Stalin" today to fight "American war mongers," prevent West German rearmament and unify the country.

The party's central committee made the pledge in a message to Premier Josef Stalin on the 30th anniversary of his appointment as secretary general of the Russian Communist party.

Taft Readies Illinois Swing For Triumph

CHICAGO—Apr. 3—(UP)—Senator Robert A. Taft set forth on a stumping tour of Illinois today, heartened by his victories in Wisconsin, Nebraska and Tennessee and determined to make it four in a row.

He was obviously pleased with his three-fold victory yesterday as he arrived in Joliet, Ill., to begin a three-day swing of Illinois before the primary next Tuesday.

"I think the primary will be very successful," Senator Taft said.

He will be opposed in Illinois by former Gov. Harold E. Stassen of Minnesota whom Senator Taft soundly defeated twice Tuesday—in Wisconsin and Nebraska.

"I thought Stassen got a cold shoulder in Wisconsin," Mr. GOP said. "I think the voters showed him what they thought of him."

However, Senator Taft said that in his opinion, the Nebraska primary was more significant than one in Wisconsin because "it involved a write-in campaign, which was the method chosen by the (Gen. Dwight) Eisenhower forces."

Most observers were inclined to agree.

He picked up 15 of Nebraska's GOP delegates to score his first write-in victory over Gen. Eisenhower. In Wisconsin, he won 24 of the state's 30 delegates and the Tennessee Republican convention voted him 19 of their 20.

Taft forces were jubilant over his showings. The Ohio senator himself hailed them as "substantial victories" which will "help my cause throughout the nation very greatly."

speed final congressional action on legislation giving states control over submerged lands off the nation's coasts. By unanimous consent, the house called up the tidelands bill passed by the Senate yesterday, substituted a bill passed by the House last year, re-passed the House bill, and sent it to conference with the Senate.

Propaganda — Representative Cliff Clevenger demanded that all funds for the Voice of America be chopped from the \$111,000,000 requested by the State Department for propaganda activities.

Queen Juliana Appeals For U.S. 'Peace' Move

WASHINGTON, Apr. 3—(UP)—Queen Juliana of the Netherlands urged Congress today to press the "cold war for peace" to build the strength and unity of the free world.

The 42-year-old queen appealed for continued American aid to dispel the "universal fear of war and annihilation."

"Mankind in its distress has to trust largely to your good judgment for its deliverance," she said.

Juliana, with Prince Bernhard at her side, spoke in a quiet, slightly-accented voice in the same chamber in which her mother Queen Wilhelmina, addressed another congress 10 years ago.

Most of the 531 senators and representatives turned out for the speech. Some, who have been around longer than others, unconsciously compared the daughter with the queen they remembered.

In the tradition of modern monarchs, Juliana skirted politics. But, in a general way, she made a ringing plea for congressional support for the political, economic and defensive unification of Europe.

The queen expressed her people's thanks for American aid and promised that the Netherlands would carry its "full share" of the western defense burden.

But she said she looked forward to the day when the money spent for rearmament could be used for peaceful projects.

The Atlantic pact nations should avoid imitating iron curtain countries, she said, "which have focused

50-Cent Haircuts Upheld in Portland

PORTLAND, Apr. 3—(UP)—Barber Earl La Forge went on giving haircuts for 50 cents today and had a State Supreme Court decision to back him up.

The court tossed out as unconstitutional yesterday a 1945 state law which fixed the minimum price of haircuts at 75 cents. Most haircuts here cost \$1.25.

The Board of Barber Examiners had got an injunction to prevent La Forge from cutting prices. But Circuit Judge James W. Crawford decided for La Forge and the high court backed him up.

Said La Forge: "I've operated a non-union shop for 18 years . . . and 50 cents is enough for a haircut."

their minds so much on their defense that they forget to focus as much attention on their economic, social and cultural well-being."

The congressional appearance was billed as the highlight of the royal couple's 21-day state visit to the United States.

Kathy Kopnick, Dale Maynard Wed Recently

A popular Spartan couple, Kathy Kopnick and Dale Maynard, became man and wife in recent ceremonies held at the Trinity

KATHY KOPNICK

Lutheran church in Willow Glen. Standing up for the couple were Mr. and Mrs. Holy Boruck. Mrs. Boruck, the former Joey Baldwin, is a sorority sister of the bride.

Kathy, the daughter of Mr. and Mrs. Louis J. Kopnick of Minneapolis, Minn., is a junior fine arts major on campus. She is a member of Delta Gamma sorority.

Dale is the son of Mr. and Mrs. Chester Maynard of San Jose. A senior business administration major, he is affiliated with Theta Chi fraternity.

The couple plan to reside in San Jose while Dale finishes school.

Living Groups Open Houses

Mil Ginn is scheduled to take over the duties of president at Mary George Co-op, according to Barbara Zeiss, publicity chairman.

Other officers include: Barbara Pieracini, vice president; Barbara Hughes, secretary; Donna Day, business manager; Rosella Becker, food manager; Barbara Zeiss, publicity chairman; and Barbara Sugimoto, activities chairman.

Mary George will hold an open house this Sunday from 2-5 p.m. at its home at 146 S. 10th street.

New president of Grace hall is Eileen Schultz. Members of this house also will hold an open house Sunday from 2-5 p.m. at their home at 370 S. Fifth street, according to Ingrid Andersson. Eileen Murphy is in charge of the affair, and everyone is invited to attend.

An alum party is planned for tomorrow night, with all alums remaining for the open house the next day.

These alums and guests will meet a new addition to Grace hall, a cocker spaniel puppy named Smearnoff.

GREEK CHIT CHAT

—by—
DIANE PRICE

Spring quarter again is well under way, spelling fun, frolic, and sustans for Spartan guys and gals. Stevens Creek, we hear, is running a close second to Santa Cruz. Though not quite as popular, the results seem to be the same—gorjus tans, you lucky guys!

GREEK SNEAKS AND PEAKS

Ten sorority pledge classes are waiting anxiously to learn about that day of days—initiation. In the meantime, never let it be said they remain idle. The D.G. pledge class had a field day (or should I say weekend) with their pledge sneak. This best-laid plan did not go astray, and five "kidnapped" actives found themselves at Russian River for the weekend. Funny thing. They don't seem to be complaining.

The KKG pledges pulled the surprise to end all surprises one evening recently by invading the chapter house during dinner and leaving their mark. Defenseless actives found themselves forced into captivity, while the pledges reversed the usual situation and gave the orders. Jackie Martin, Shirley Strahl, and Jan Yonce gave a couple of gals an awfully "bad time," we hear by way of the grapevine.

QUESTION MARKS (?)

Who fouled up what perfect plan causing which members of what fraternity pledge class to get stranded in some mysterious location without a ride home? Rumors around that the Sigma Chis will choose a Sweethear sometime this quarter. How about it? Who's going to be the first couple to marry in the Chapel? The Delta Sigs soon will have a "King Neptune's Bride." What happened to the bridegroom?

OUT OF THE MOTH BALLS

The Sigma Pis report they've taken their telescope out of the moth balls for another spring quarter. But the question is, "What sorority reversed the situation on them last week?" The boys also have been barricading their doors every night against their own sneak-happy pledge class.

PINNINGS AND WINNINGS

John Drew recently announced the pinning of SAE Glen Lovell to Pat Martin by passing out the traditional box of cigars. It's on the "lovel" this time. Alice Brown, Alpha Chi Omega, picked her sorority pledge dance to announce her pinning to Herb Larrus, Delta Sigma Phi. And Vince Malone's Sigma Chi pin is now in the possession of Theta Joan Sullivan.

HOARSE VOICES, JUDGES CHOICES

Sigma Pis and Gamma Phis, dressed as Greeks, yelled themselves silly at the recent intra-mural track meet, but they walked off with the fraternity and sorority plaques for the best rooting sections. Kinda fouled up the D.U.s and the Kappas, both shooting for third straight wins.

REMINISCENCE

Sunday afternoon's the time, Alum Rock park's the place when actives and alumni of Lambda Chi meet to renew old times. Dinner at Hawaiian Gardens will follow the gathering. Wives, for some reason, are not invited to either.

HUNGRY, FELLOWS?

Dinner was held up for an hour at the Kappa Tau house the other night while 20 men waited for Dick Shaffer, the cook, to return from Santa Cruz. Don Hibner, of the same house, still is looking for his shoes. Pledges, maybe?

ATTENTION: ALL GREEKS

Want your name in this column? It's going to run all during the quarter. Well, if your fraternity house mysteriously changes colors during the night, or your dog has kittens, or your pledges don't show up for initiation, just let us know. Any old thing will do. We're not very particular, and being of the nosey type, we'd just love to know what's going on. That's all for now.

Ten Girls Compete for Title

Pledges from 10 sororities will vie for the title of "King Neptune's Bride," the winner to be announced at the Delta Sigma Phi "Sailor's Ball," to be held May 2.

A traditional Delta Sig event, the ball and contest are held by all chapters throughout the country. Candidates will be feted at a dinner at the chapter house on Apr. 14 and a house party Apr. 18.

Plan Joint Party

Members of Sigma Alpha Epsilon and Sigma Chi fraternities will hold a joint party this Saturday night at Ben Lomond's Town and Country club. The dressy sport affair will open the SAE's spring social calendar, which tentatively includes joints with sororities and Sunday beach time, according to Ray DiPiazza, the fraternity's publicity chairman.

Candidates are: Jeanette Hargrave, Alpha Chi Omega; Donna Zschokke, Alpha Omicron Pi; Virginia Donaldson, Alpha Phi; Joanne Bowlby, Chi Omega; Merle Bedard, Delta Gamma; Dorothy Moore, Delta Zeta; Gloria Dillon, Gamma Phi Beta; Joan Babick, Kappa Alpha Theta; Jackie Martin, Kappa Gamma; and Marilyn Magladry, Sigma Kappa.

Arrangements for the affair are being made by Herb Gregory, social chairman; Mary Scarper, contest chairman; and Doug Pendleton, publicity chairman.

The Delta Sigs have been busy having other parties, too, the welcoming command to spring, according to Doug Pendleton. Among them was a small party recently when some of the fellows and their dates journeyed to the Almaden road to listen to the music of the "Mad Genius and Two."

That evening was topped off by a very successful pledge sneak and the disappearance of two brothers.

Friday, Apr. 4, 1952

SPARTAN DAILY 5

Kappa Tau To Hold Formal

Kappa Tau fraternity will hold its second annual spring formal tomorrow night at La Rinconada Country club from 9 p.m. to 1 a.m., according to Jim Nash, publicity chairman.

Spring is the theme, and members and guests will dance to the music of Art Nortier and his orchestra. Patrons and patronesses will

be Mr. and Mrs. Edgar Hornig and Mr. and Mrs. Albert Schmoldt.

Dick Shaffer is chairman of the affair. His committee consists of Al Chapman, Ray Larson, Marve Schmidt, Jene Standfield, and Tony Russo.

The fraternity recently honored Herman Smith and alum Jack Scheberies. Smith returned to the college after spending a year and a half at Florida State university. Scheberies was honored because he will compete in the AAU National Amateur Boxing finals in Boston. If victorious, he will be eligible to compete for the Olympic boxing squad.

The fall quarter graduates of Kappa Tau recently presented the fraternity with five trophies to be used as scholastic and social awards. The awards were presented by Jack Scheberies, Clair Teulier, and Hank Ayala, who formed a committee to represent the alumni.

Lambda Chi Alphas Plan Social Events

Spring social soirees at the Lambda Chi Alpha house will start with a smash this Sunday afternoon (Apr. 6) when Lambda Chi alums return for the annual Alumni Reunion.

Brothers will gather at Alum Rock park in the afternoon and then members, alums, wives and friends will join to dine at the Hawaiian Gardens. Reunion chairmen Al Hansen and Bob Hamblly have sent invitations to all alums wherever they may be and a huge turnout is expected.

The following weekend the Zeta pledge class will throw a party for the members and their dates at Villa Felice. Formal initiation for the class is scheduled for Apr. 20.

Social Chairman Ken Mitchell is busy organizing exchanges with campus sororities for the quarter. "Hobo Night," Apr. 30, will be held with Gamma Phi Beta sorority this year.

Toward the end of April and beginning of May, social activities will center around the Pushcart Relays Queen contest. Three parties are scheduled for the queen candidates and the final selection of the queen and her attendants will be made at the Spring Formal dance, May 16.

Club Elects Prexy

Donna Harkleroad has been elected president of Kappa Phi, Methodist women's organization. She will succeed Jeanne Saxon, out-going president.

Other recently elected officers are: Leah Baughman, vice president; Claudia Maingueneau, corresponding secretary; Bobbie Sugimoto, recording secretary; Kathy Jones, treasurer; Shirley Mitchell, program chairman; Virginia Cross, social chairman.

Elaine Swanson, chaplain; Nellie Kuil, historian-custodian; Mary Ruth Morse, Candle Beam editor; Joyce Erickson, membership; Mary Jo Jones and Jeanne Saxon, music; Joyce Young, art; Erma Jean Ulum, invitations; Elaine Farum, finance; and Jolene Howard, publicity.

Plans are being made for the spring quarter Rose Tea on Apr. 6 which will honor prospective pledges.

STAFF COMMENTS

When the Spartan tennisers meet the California Bear team tomorrow afternoon at Berkeley they will be facing two of the top racquetmen in the nation.

Rupert and John Ricksen, identical twins, reached the semifinals of the National Collegiate Athletic Association tennis tournament at Evanston, Ill., last year. They were finally defeated in the doubles event by Tony Trabert, who won the national singles crown, and Bob Ligel of Cincinnati.

It seems every time a new sports almanac is printed there is always some glaring error. The latest book on sports has San Jose State college losing in football to San Diego State last year 32-2. I know we had a poor record but we didn't even play the Aztecs! W.R.

Baseball mentor Walt Williams has unique difficulties on his powerful squad this season which college coaches don't as a rule encounter. He has seven pitchers!

As he puts it, "We have pitchers on the bench this year who could do a good job if we could schedule enough games for them to play in. At the same time, the regular pitchers have got to have their regular turn to keep in condition."

Coach Williams also reports that some of last year's regulars are having to battle for their positions. To cite an example, three men who played in the Santa Clara game, Doug Bochner, Dick Brady and Jack Richards, are freshmen.

G.N.

Lang Stanley, world record holder for the high school half-mile, has been training with the Spartans this season, although he is ineligible to compete for them this year.

Running unattached in the Stanford meet, Stanley was second in the mile behind Bob McMullen and was clocked in 4:21.0. Both he and McMullen broke the school record which was 4:21.5.

Stanley has been training in the distance so far this year, but figures to start running the 880 in about two weeks. His best clocking for the half last year was 1:52.3, which he hit at the AAU trials in Berkeley. B.T.

Stern Upset in NCAA Bout Crown Chances Very Slim

By GEORGE NALE

Favored Jerry Stern, Al Accurso and Paul Reuter were defeated yesterday in the National Collegiate Athletic Association boxing tournament at University of Wisconsin fieldhouse.

Stern, favored to win over Lynn Nichols of Idaho whom he had previously beaten this year, lost on a very close decision. This was Stern's only defeat this year.

The three losses virtually eliminate Coach Dee Portal's Golden Raiders' chances of winning the tourney which they have been so close to for a number of years. If both Don Camp and Chuck Adkins go the full distance and win NCAA crowns the Spartans will have only 16 points, probably not enough for the NCAA championship.

Reuter was matched with Mike McMurtry of Gonzaga due to a change in the number of contestants. He was to have fought Michigan State's Chuck Speiser but some of the boxers entered in the tournament withdrew, necessitat-

ing the shifted pairings.

The Reuter-McMurtry match was won by McMurtry on another close decision.

Accurso's bout with Bob O'Ryan of Wisconsin was stopped in 1:47 of the third round when the referee ruled that Ac-

DEE PORTAL
... coaches boxers at NCAA

curso was unable to continue.

Chuck Adkins boxed in the quarter-finals last night. If he won, he stands an excellent chance of taking the 139 lb. crown, having thoroughly beaten Michigan State's Jed Black in the Spartans' tie-match with the 1951 NCAA champions, held here this winter. Black won the 147 lb. title last year but was ruled ineligible for this year's tournament.

Adkins won Pacific Coast Intercollegiate and Intermountain titles for the Spartans this year and has never been pressed in this season's competition.

Don Camp also won Pacific Coast Intercollegiate and Intermountain crowns this year. Going into last night's bouts, he had an unbeaten mark this year and is captain of the boxing team.

If he won last night, he could go on to win his class, having barely lost to the NCAA winner last year. He tied with last year's NCAA champ, Neil Ofstun of Minnesota, in a bout earlier this season.

Raiders Engage Sacto Nine in Doubleheader

Sacramento State will be the next opponent for Coach Walt Williams' increasingly powerful Spartan baseballers. The two teams will take the field in the first game of a scheduled double-header at 12:30 Saturday afternoon in Municipal stadium.

Pitchers John Oldham, Jim Collins, Pete Fazio and Lloyd Brown will be ready to go for the Golden Raiders, with Oldham and Collins probably rating the starting assignments.

Coach Williams is in a unique position this season with seven pitchers and a short schedule due to early season bad weather.

The Spartan lineup will be changed for the seven inning second game. The first game will go a full nine innings.

Two catchers, Bob Poole and Harvey Del Buono, will handle backstop duties for the State team, Ed Hallberg and Dick Brady are slated for the first base jobs.

At second base will be Ron Palma and Jack Richards while Cookie Camara will be at shortstop. Bob Graves and Bill Pitcher will handle the third base spot.

The outfield will be patrolled by Andy Miller in left, Joe Bonfiglio

in center and Milt Manoukian and Bill Fielder in right.

The definite lineups for the two games have not been decided upon with either man listed at any position eligible to start the first game.

Sacramento State lost a double-header to College of Pacific Tuesday at Sacramento. Their record is not too impressive this year with only two wins listed.

The Hornets' probable lineup for the games are: Don Knezevich and Del Bandy, pitchers; Dick Galvin, catcher; Augie Amorena, first base; Joe Geyer, second base; Bud Farley, third base; Guy Troedson, short stop; Jim MacDonald, left field; Bob Steen, center field and Albie Brown, right field.

Farley, with a .370 batting average, is Sacramento's leading hitter.

Netmen Face San Francisco State

Eager to duplicate last week's double triumph over Fresno State and San Francisco State colleges, the Spartan tennis team meets the Gators at home today and travels to Berkeley tomorrow to clash with a powerful University of California contingent.

Last Saturday afternoon in San Francisco's Golden Gate Park the local tennisers swamped the Bay City team 8-1 and hope to repeat that winning performance here today. Don Straub, who lost the only match against San Francisco State, will attempt to gain revenge against Dick Axtell. Axtell whipped Straub in the previous clash, 4-6, 6-1, 6-2.

The California Bears are fresh from a 9-0 swamping of crosstown Santa Clara university. Rupe and John Ricksen, the Golden Bear's outstanding basketball stars, are also the top men on the university's net team.

Sparababe Cindermen Travel South for Hartnell Contest

Coach Don Bryant's Spartababe tracksters, fresh from a 96½ to 24½ victory last Friday over Vallejo junior college, travel to Salinas this afternoon to meet a strong Hartnell JC track squad.

Bob Azevedo, who was the big gun for the Spartababes last week with victories in the mile and two mile and a third in the 880, will concentrate on the two longer distances this afternoon.

John Bollinger, who took the 880 in the Vallejo meet, will team with Bill Stephens in the half. Both will see action in the relay.

Stephens had the baton knocked from his hand in last Friday's meet, lost 20 yards, and the team was still only a fraction off the school record.

Jamie Fletcher will double this afternoon in his specialties, the high jump and the javelin. He coped both events against Vallejo.

Joe Greggans, top sprint man, injured his back in the intra-class meet and is a doubtful starter this afternoon. Greggans was caught in 10.0 in last Friday's century.

Bob Soso and Vern Windrath will anchor the weight men for the jayvees. Soso copped the discus in the first meet and Windrath took the shot put. Both men have been showing steady improvement and should take first places this afternoon.

501 ALMADEN AVE.

JV Baseball Men Lose 9-1

San Mateo JC won, 9-1, in a baseball game with the State Spartababes at San Mateo yesterday afternoon.

Coach Walt Williams' men collected six hits, only two hits less than their opponents, but could get only one run.

Dale Ocken went all the way for the Gold and White. It was the first full game he has pitched all year.

First baseman Ed Hallberg hit two for three to lead at the plate for State and third baseman Bob Graves got two for four.

Former San Jose high school star Don Ouelette hit three for five and his teammate Tom Leal led the San Mateo nine with three hits in four official times at the plate.

The men who went to San Mateo yesterday on the junior varsity squad will combine with the rest of Coach Williams' team tomorrow when they meet Sacramento State in a twin bill.

Tiger Team Is Underdog

Even though injury-ridden and lacking depth in most events, the Gold and White tracksters seem strong enough to take weak College of Pacific and Cal Poly in tomorrow afternoon's triangular trackfest which gets underway at 1:15 o'clock on the Spartan oval.

Major competition for the Spartans promises to be in the discus and javelin, where COP, who also meet the Spartans in dual competition, will bring forth their strongest men in Fred Cooper, 185' javelin man, and Bob Jones, who has tossed the discus 167'.

This pair will be rivaled by Spartan aces John Wenzel and George Nickel. Wenzel took the spear-tossing event from Stanford and has been hitting 190' in practice, while Nickel broke the school record in the discus in last Tuesday's intra-class meet with a heave of 163' 4 7/8". He also had another heave of over 162' in that meet.

Coach Bud Winter seems to be in a bad condition as far as hurdlers go with both Don Gillespie and Paul Dennis, Olympic hopeful

in the 400-meter hurdles, both out for several weeks with pulled leg muscles. Joe Orochi has been nominated to go in the hurdle events for Saturday's meet. Though lacking experience for this event, Orochi should show up well. He is an able sprint man and came through well in the low hurdles for the intra-class meet.

Walt Burnett, who has been clocked in the fastest 440 in the nation for this year, 48.3, has been assigned to the sprints, which leaves Owen Moore to run the quarter. Moore should have very little trouble with the COP and Cal Poly competition. Herb Robinson, COP's top man, has been caught in 51.0 for the quarter, while Moore was clocked in

48.5 behind Burnett last Saturday at Stanford.

Burnett was forced into the sprints when Ivan Summers and Kenny Doler, two of the Spartans' top sprint men, were forced out of training. Summers has been bedded down with the flu and Doler pulled a leg muscle against Stanford.

Dueling for top honors in the pole vault will be the Spartans' Bill Priddy and COP's John Tofflemire. Priddy sailed 13' 6" to take top honors against the Indians, a figure which he hit several times last year. Tofflemire has hit a top mark of 13' 5".

Herm Wyatt, top high jumper in the country with a mark of 6' 8", and Bob McMullen, Spartan distance star who set new school records in the mile and two mile last Saturday, should run into very little competition against the Tigers and Mustangs.

Friday, Apr. 4, 1952

SPARTAN DAILY 7

Four Colleges Clash Here in Swim Tourney

Teams from four colleges will clash in the second annual California State college swim meet with events starting today at 11 a.m. and continuing through tomorrow evening. The action will take place in the Men's gym.

Fresno State, San Francisco State, Los Angeles State and the Spartans will enter men in the 14-event swim competition.

Six champions from last year's meet will return to defend their crowns. This championship group is headed by Bob Jimenez, 50 and 100-yard freestyle titleholder from San Francisco State, who is yet to be beaten in two years of competition. Jimenez is entered in his two pet events today and is favored to take them.

Others of the championship group include: Bob Sherman, S.F. State, one and three-meter diving; Dick Lebedeff, SJS, 200-yard backstroke; Num Fong, SJS 440-yard freestyle; and Fred Postal, SPS, 150-yard individual medley.

Spartan mermen entered in the meet are Postal, Garry Smith, Bob Gorman and Don Choate in the 50-yard freestyle. Lebedeff, Bob Filler, Jack Coultas and Don Schlote are entered in the 200-yard backstroke. Dick Engfer, Mark Setlow, Byron Smalley and Fong will compete in the 220-yard freestyle.

Gold and White men in the 200-yard breast stroke will be Chesley Douglas, Stan Sonden, Nort Thornton and Bill Short. Brooke Vincent, Bill Finch, Lebedeff and Dick Hays will go after diving crowns in the one-meter event.

The 100-yard backstroke Spar-

tans are Hays, Lebedeff, Schlote and Coultas, Douglas, Thornton, Short, Stan Sonden and Jay Flood will compete in the 100-yard breast stroke.

Garry Smith Choate, Gorman, and Postal will see action in the 100-yard freestyle, while Fong, Smalley and Setlow will try for crowns in the 440-yard free style. Thornton, Douglas, Hathaway and Flood are entered in the 150-yard individual medley.

Can Compel Pledge

Washington, Apr. 3 (UP)—The Supreme Court ruled today that a political party can compel a presidential elector to pledge support to the party's nominee.

RENDEZVOUS CAFE

1595 S. First

HIGH HERMAN WYATT, Spartan high jump ace, has already cleared 6 ft. 8 in. this year, which makes him the top man in the country in this event. Wyatt, who was rated the third best high jumper in the world last year, is eyeing an Olympic berth to Helsinki this summer. He was in-

jured last year in the middle of the season but still managed to compile an average jump of 6 ft. 5 11/24 in. In 15 meets last year Wyatt was first ten times, second once, second in the NCAA and AAU and finished lower in only one meet, his first after his injury.

Spartan Golfers Meet Cal Poly, Modesto at Country Club Today

Seeking their second consecutive win of the young season, the Spartan golfers will take on Modesto junior college and Cal Poly this afternoon at the San Jose Country club. The match starts at 1:30 o'clock.

Brother will oppose brother in today's competition between the locals and the visiting Modestans.

Pistol Frosh Meet Gophers

For the first match in its history, the newly-organized Spartan frosh pistol team will engage the University of Minnesota freshman squad in a postal meet next week, according to Paul Murphy, varsity team captain.

The 10-member team will fire in a five-class competitive duel. The date of the match is pending upon final word from the Gopher squad.

Arrangements are being made with local police departments and gun clubs for matches with the Raider varsity team. Thus far the Santa Cruz and Petaluma police departments, and the San Jose Padre gun club have responded favorably, Murphy declared.

Henry Solario, who was the number one man on last year's Modesto jaycee champs, will be stroking for the Raiders while his brother Reuben will be swinging clubs for the Pirates.

In its opener this season Coach George Maroney's valley club trounced Sacramento State college 24-3, with the entire ladder playing close to par golf. The top three Pirate golfers are Solario, lefthander Bob Burkett and Rollin Raleigh.

Ken Venturi, the Spartan's number one man, will lead the local clubbers in today's match against the two colleges.

The Golden Raiders only have competed in one match so far this season. Monday afternoon on the San Jose Country club course the locals downed a strong Camp Pendleton Marine squad, 18 to 9.

Dude OLD HEARST RANCH • Ph. Pleasanton 2233 RANCH NEWS

Published every week by the World's Largest and Most Popular Dude Ranch. A "Must-See" for all California visitors — 36 scenic miles from San Francisco, "where the sun shines all the time" on tropical palms, fragrant flowers, cactus gardens and happy dudes.

This year, be one of the many thousands who will thrill to the breath-taking beauty of this outstanding California scenic attraction. Wonderful country food and plenty of it. Celebrity Ball, swim, Dubonnet Dance Trio, barbecue, hayride, "get-acquainted" parties. Mountain and valley view.

NEWS FLASH!!! Hello, Dudest! Sun-tan time is here again, and this Saturday, April 5th, the Old Hearst Ranch re-opens for its summer season, for your entertainment, enjoyment and relaxation.

• Winter is over, so come on out of your damp, deep-freeze, for a health tonic and timely spring-time tune-up.

• Nothing but Glorious Sunshine to put new spring in your step, tingle in your toes, peaches in your cheeks and sparkle in your eyes.

• We're just a jackrabbit's jump into the warm, friendly, country sunshine, with skies as clear as a coyote's call.

• All Ranch facilities and various forms of country sun-fun, for both participant and spectator, are again available, plus new ones, including the famous Dubonnet Trio (back for the 6th year), the popular Sunday morning "Dude Ranch Breakfast" Radio Show (also for the 6th year), swimming, golf and other sunshine sports, special daily activities, and, last but not least, wonderful country food and plenty of it.

• Each succeeding year has brought increased popularity and volume of business to the Ranch, to the extent that the rates have remained the same for the past eight years. Reservations already indicate 1952 will be bigger than ever.

• And don't forget! There's a warm, western welcome waiting for you at the Old Hearst Ranch, "where the sun shines all the time," and where it's the friendly custom for dudes to say "Hello" without formal introduction.

Why not drive out for a big, country breakfast, this Sunday, and attend our popular and interestingly different "Dude Ranch Breakfast" Radio Show, starting at 10 A.M.? Guests of honor will be beauty queen contestants for Los Banos May Day Festival.

• Folk Dancing Exhibition every Sunday, again this year, for your enjoyment and entertainment. This Sunday, Folk Arts Club, San Francisco.

• Golfers! Here, you'll find broad, all-grass fairways, large greens, beautiful view. In charge of Harold Sampson and George Finn.

• Letter from Alpha Tau Omega Frat., Univ. of Calif.: "... annual Spring Formal at Old Hearst Ranch ... become a tradition ... many pleasant hours ... would not dare miss another opportunity to repeat them."

• Vacation reservations from far and near—ret, even from Miami, Florida, from where the Cannons (family of five) are again returning to the Ranch, this spring, for a month's vacation.

• Besides vacationists, a few of the group reservations include: Univ. of Michigan Football Team; Univ. of So. Calif. Football Team; Girls Leadership Conference; Calif. District Postmasters' Conf.; North Calif. Passenger Club; Assoc. Genl. Contractors of America.

• Calif. Scholarship Federation; Dow Chemical Co.; C. & H. Sugar Co.; Chevrolet Girl Employees; Masonic Lodge No. 1, S.F.; Naval Air Station, Alameda; Parks Air Force Base; Pleasanton Ch. of Com.; Calif. Rodeo, Salinas; Los Banos May Day Festival; Mother Lode Fair, Sonora; Jobs Daughters of Hayward.

• High Schools include: Oakland (2 res.); Fremont, Oak.; Mt. Diablo, Concord; South S.F.; Mt. View; Tomales; Lemoore; Jefferson, Daly City; Sierra, Auberry; Amador, Pleasanton; Half Moon Bay; Star of the Sea Academy; S.F. State College. Frats and sororities — Univ. of Calif.; Sigma Nu, Alpha Epsilon Phi, Richards Hall, Alpha Tau Omega, Oldenberg Hall; Stanford Univ.; Zeta Psi, San Jose State College; Theta Xi, Kappa Alpha Theta; Chi Delta, San Leandro.

EDITORIAL!!! North California visitor should not fail to include a dude ranch, a typical western institution.

• Your most exciting experience, thrilling adventure, outstanding discovery, is bound to be the fabulously beautiful and historic Old Hearst Ranch.

REMEMBER!!! You haven't seen California, if you haven't seen this internationally famous Dude Ranch.

324 EAST SANTA CLARA

OPEN 9 A.M. TO 1 A.M.

Today Is the Entry Deadline For Phelan Awards Contest

Today at 5 p.m. is the deadline for submitting entries to the Phelan Literary Awards contest, Mrs. Eobbie Waddington of the English department reminds students.

For those who have not picked up a list of rules, Mrs. Waddington outlined the most important ones. All contributions must be

typed in double space with the title placed at the top of the first page and abbreviated in the upper left-hand corner of each page following. Number the pages carefully.

The name of the writer must not appear anywhere on the manuscript. The author should submit a cover sheet with his name, title and division into which his contribution is submitted.

Students may submit any number of manuscripts to each division.

Lists of complete rules still are available in the English office, H26.

C of C Secretary Describes Bureau To Business Class

Russell E. Pettit, secretary of the San Jose Chamber of Commerce, defined a Chamber of Commerce as a group joined together for the betterment of a community, when he spoke before 50 members of the Business Lectures class Tuesday.

The lecture is part of a series of 20 appearances by local business men who will speak on different phases of business in the community.

Yesterday, Daniel K. Stern, public relations director for the San Jose Mercury-News, lectured on "The Place of a Newspaper in a Community."

Other business men who will appear before the 1:30 p.m., TTH, class during the quarter are: John Crumney, chairman of the board of the Food Machinery and Chemical Company; Emery J. Delmas, attorney, and Wesley Stroude, secretary of the San Jose chapter of the National Better Business Bureau.

Business Meet

E. S. Thompson, college business manager, left yesterday for Fresno, where he will attend a meeting today and tomorrow of State College business officers.

Students Show Teaching Aids

An exhibit of teaching aids constructed by members of Industrial Arts Instructor Wayne Champion's design class will be shown in conjunction with Santa Clara county schools displays at a convention of the California Industrial Education association at Laney trade school in Oakland tonight and tomorrow night.

Instructors in the Industrial Arts department will attend the convention. Goodwin Petersen, assistant professor of engineering and industrial arts, made arrangements for the exhibits to be shown at the convention.

Radio Comics

Will there be a Li'l Abner? Will Junior find happiness?

If your future depends on the answers and you're too lazy to read the Sunday comic section for yourself, the Radio Guild has a solution.

Listen to Uncle Jerry Morrison and his guild comic cousins Sunday morning at 9:30 o'clock over KEEN.

No-interest Loans Now Are Available To SJS Women

A loan fund for women students who wish to complete their education has been made available to the college by the Quota club of San Jose, Personnel Counselor Edward W. Clements announced yesterday.

Arrangements may be made to repay the loan at the student's convenience. No interest will be charged.

Women interested in applying for the loan should see Miss Helen Dimmick, dean of women, or Mr. Clements.

The Quota club is a woman's service organization affiliated with Quota Club International, Inc.

APOs Gain Ideas At Area Meeting

New ideas for service and social projects were gained by members of Alpha Phi Omega men's service fraternity, last weekend at the 12th regional conference held in San Diego, California and Arizona chapters attended the meeting.

Delegates from the San Jose chapter were Don Binder, president; Ted McCarty, publicity chairman, and Don Clouse, co-service chairman.

District Attorney To Be IIR Guest

The college's Institute of Industrial Relations will present District Attorney N. P. Menard as guest speaker on Sunday's broadcast at 10:30 a.m. over station KEEN. Mr. Menard will discuss fraudulent schemes to rob the public.

H. Paul Ecker, associate director of IIR, will introduce the district attorney.

ROTC Drills Drown Out Science Class Lectures

By Nancy Helser

"Subtract the atomic number from the atomic weight and that 'About face! Forward, march!' 'About face! Forward, march!' 'The total number of—' 'One, two, three, four. 'Neutrons in the orbit.'"

Nothing like having two classes in one. Of course, it helps if you're one of those possessing more than a one-track mind.

Take the course in physical science, taught by Dr. Arthur Williams, associate professor of chemistry.

Meeting at 12:30 p.m. every Monday, Wednesday and Friday, Dr. Williams begins lecturing to a large group of atom-smashers on the addition and subtraction of protons, neutrons and electrons. Immediately outside, the

strains of the above commands can be heard echoing through the air—ROTCers going through their paces.

Why, one day, it got so bad that a veteran of the last war rose from his seat, made an about-face and marched out of the class.

The sound of stomping feed on the floor has recently been traced to off-duty soldiers.

They may not be West Pointers, but they've got the patriotic spirit, nevertheless.

FINE ARTS MOVIES

Fingerpainting, Nature of color, etc. presented by the CHANNING CLUB

Fireside Room, at 7:30 p.m.

"THE NATURE OF LOVE"

An exploratory sermon on a subject of great complexity and concern. Eros, Agape, love of man for women, love of child for parent, of man for a cause, the opposite of hate? What is Love?

Sermon and Church Service Sunday, April 6, 1952 at 11:00 a.m.

The First Unitarian Church 160 N. THIRD STREET San Jose, Calif.

WCNS Will Open Sessions in April

Enrollment in the summer West Coast Nature school will open shortly after April 15, according to Dr. Gertrude Cavins, registrar of the school.

The program includes one-week sessions at Yosemite, Fallen Leaf and Asilomar. Enrollment is open to all registered students, Dr. Cavins said.

Henry Steiling and the boys

HANK SAYS: "Another Spring has rolled around and, as usual, we are still serving students and faculty of State."
